

OUR HONORED SUPPLIER,

we ask you to notice that we will accept our invoices primarily by electronic invoices. We kindly ask you to notice following matters concerning the content of the invoices, so that handling of invoices is easier and faster and also make sure that you receive a payment on time.

- Invoice must have our order number. In FINVOICE field Order Identifier only allowed information is our order number.
- Invoiced items must be marked with our order position number and / or Kyrel's material code.
- Invoice can contain items only from one order. Collect invoices must be agreed separately.

If an invoice arrives with faulty information, it will be sent back to sender, in which case we are not responsible for potential delays in payment.

Electronic invoices:

- Our electronic invoicing address (OVT) is 003718533868
